**PROPERTY  
TAX CAP  
LEGISLATION**

*Upon a motion by Mrs. Elliott, seconded by Mr. Rooney, the Board of Education unanimously approved the following Resolution:*

**Whereas**, on June 20, 2011 Governor Andrew Cuomo signed the Property Tax Cap Legislation into law;

Whereas, Chapter 97 of the Laws of 2011 established a tax levy limit (generally referred to as the tax cap) that affects all local governments (including counties, cities, towns, villages and fire districts) and school districts in New York State;

Whereas, the 2017-2018 budget cycle will mark the sixth year of the tax cap;

Whereas, this law was initially publicized as a 2% tax levy cap;

Whereas, under this law, the property taxes levied by affected local governments and school districts generally cannot increase by more than 2 percent, or the rate of inflation, whichever is lower;

Whereas, for the first two years under this law the rate of inflation was greater than 2%;

Whereas, for the last three years under the law, the rate of inflation has been less than 2%;

Whereas, for the 2016-2017 school year, the tax cap was set at 0.12%, or essentially zero;

Whereas, for the 2017-2018 budget cycle, the New York State Comptroller has forecasted the rate of inflation to be about 1%, thus resulting in the fourth consecutive year below 2%;

Whereas, a fluctuating tax cap has made long-range fiscal planning and budgeting all but impossible;

Whereas, a 1% increase in the Deer Park Union Free School District tax levy would only support an increase of roughly \$682,000,

Whereas, the State of New York is forecasting a 8.5% increase in healthcare for 2017, which will result in a budgetary increase in excess of \$1.2 million and thus by itself far exceeds Deer Park's allowable levy increase under the cap;

Whereas, the Deer Park Union Free School District as a service-oriented entitle has approximately 80% of its' budget comprised of salary and benefits for employees who support services and programs for students;

Whereas, for the 2017-2018 school year, the Deer Park Union Free School District would have no choice but to decrease services, programs, and other student offerings in order to comply with a 1% levy cap;

Be it resolved, that the Deer Park Union Free School District Board of Education calls upon Governor Cuomo and our State Legislators to remove the connection between the tax cap and the rate of inflation, thus resulting in a 2% tax levy cap.
